Letter No 471, dated 4.10.50 from the Director of Archaeology re promotion of Sri A.S. Narasimha Setty as 1st Dn. Clerk in the Department.

'Q' (1) As per G.O No. E.14098-99/Archy 2-48 dated 20.6.1949 the post of an "Epigraphist" in grade Rs. 60-5-90/EB-6-150 was created in the Dept of Archaeology and Sri. M. Hanumanantha Rao, M.A., who was formerly working as 1st Dn. Clerk in grade Rs. 60-5-90/EB-6-150 was appointed as "Epigraphist" in the new post created. The post of the Epigraphist was treated as a "Technical" one

(4) The Accountant General's objection is that there is no I Sr Dr clerk's post sanctioned to this Department and that Sri M Hanumantha Rao who was drawing the pay of I Sr Divn, was done so as purely personal to him as he was a graduate. When the Govt order no G 12078-A Archy 2-48-11 dt 20-6-1949 was issued this aspect was not at all considered and it was taken for granted that Sri Sri M Hanumantha Rao was absorbed in the newly created post of Epigraphist.

re: promotion of Shri. A.S. Narasimha Setty as 1st Div. clerk in the Dept. of Archaeology

The vacancy released by this absorption happened to be a vacancy of 1st Division clerk on the basis of the statement made by the Director of Archaeology Even now the Director does not say why he made such a statement when there was actually no post of a 1st Division. The proposal of the Supdt Director to clarify the C.O. is for orders. He should have clearly explained the circumstances and shown that a vacancy of I Division clerk actually occurred when Sri Hanumantha Rao was absorbed as Epigraphist. Though it is too late, it may be submitted that as per rules of recruitment the appointt of clerks should not be clubbed with that of Epigraphist — a technical appointt — since the former are governed by Rule 15 of the recruitment rules (i.e to be filled up from the approved list) and the latter are governed by note to Rule 15 of the

2765/G

rules of recruitment (ie to be filled up after due classification in a separate vacancy register, after advertisement)

(5) The Director appears to be avoiding to explain the real point at issue and prove that actually a vacancy of I Dn clerk was available when Sri Hanumantha Rao was promoted on 20-6-49 appears to create a post of Epigraphist and not that of a I Dn clerk in place of a II Dn clerk. Submitted for orders.

17/10

(6) This may be referred to the director of Archaeology who specially for explaining the real point at issue is. Whether there was really a vacancy of I st division clerk when Sri Hanumantha Rao was promoted and if so the number and date of G.O. sanctioning that vacancy.

DEPARTMENT OF ARCHAEOLOGY.

Mysore,

Dated 3rd November 1950.

Returned with compliments.

1) As per the objection of the Comptroller (vide his audit objection slip No.213 dated 20-9-1949) the real point at issue is that there was no Ist Division Clerk's appointment sanctioned to the Department and that by virtue of G.O.No.E. ~~14088-9~~ 5505-6/Archy. ~~2-48-11~~ 4-48-3 dated ~~20-6-1949~~ 3-12-1948, the I Division place was personal to Sri M.Hanumantha Rao, which could not therefore be utilised for giving promotion to Sri A.S.Narasimhasetty. It is submitted that while making my recommendation for promotion to Sri A.S. Narasimhasetty, the fact that the place was personal to Sri M. Hanumantha Rao was not brought to my notice so that ~~when~~ in view of the audit objection slip ~~was received~~, I had to cancel the promotion that I had given effect to and seek orders of clarification. If the Government feel that there is no I Division place sanctioned to the Department, the present arrangement will continue.

11) Kind reference is invited to appendix 'L' to G.O No. Fl. 2010-70/SV A. 25-47-6 dated 21.9.1947 sanctioning among others, the revision of scales of pay of the Non-Gazetted employees of the Department of Archaeology wherein the scales of pay of the clerical staff was revised as follows:-

12) Hence, the Department contains the post of a I St. Dn. Clerk in grade Rs. 60-5-90/EB-6-150 and the post of a II nd Dn. Clerk in grade Rs. 40-2-50/EB-3-80.

13) At the time of the allocation of the Non-Gazetted Staff of the Department in the revised Scales of pay with effect from 1.1.1947, as Sri. M. Hanumanatha Rao, M.A who was formerly the Junior Most of the Deptt had no place, he was allocated as against the post of I St Dn. he will also note on the point whether
the promotion of Sri Narasimha Setty
to the 1st division post is according

far the vacancies in clerical service

character. Other points referred to in

'L' (ii) According to G.O.No.Fl.2010-70/S. & A. 25-47-6 dated 21st September 1947 sanctioning the revision of the scales of pay to the non-gazetted officers of the several departments, a post of First Division Clerk was sanctioned to the Department of Archaeology, subject to the ratio of I and II Division Clerks in the department being 1 : 5 respectively. As there were only 2 posts of clerk in the department these being in Second Division it could not be said that according to the above G.O. dated 21st September 1947, a post of First Division Clerk was sanctioned then. Further, in G.O.No.E.4545-4618/R.&.P.S. 37-47-2 dated 22nd December 1947, modified instructions were issued for allocation of officials in the revised scales of pay. Even according to this order, the two officials in this department were allocated in Second Division, since they were holding Class II appointments on 1-1-1947. In the same allocation as Sri M.Hanumantha Rao was a graduate, he was treated as a supernumerary and given the scale of First Division as personal to him. This also did not mean that a post of First Division Clerk was sanctioned to this department and that Sri Hanumantha Rao was allocated to that post.

'Q' (iii) In G.O.No.E.14098-99/Archy. 2-48-11 dated 20th June 1949 the post of an "Epigraphist" in Grade Rs.60-5-90/E.B.-6-150 and the appointment of Sri Hanumantha Rao thereto were sanctioned, abolishing two part-time posts of Tamil Pandit and Chemist and also the post of the Second Division Clerk held by Sri A.S.Narasimha Setty. Further, the promotion of Sri Narasimha Setty to the post of

First Division Clerk in place of Sri Hanumantha Rao was sanctioned. Both the arrangements sanctioned in the above G.O. dated 20th June 1949 were not in order. The post of "Epigraphist" was newly created and it was a ministerial technical post. This should have been registered in the concerned vacancy register, classified, advertised and then filled up. The appointment of Sri Hanumantha Rao as Eipgraphist was, therefore, not in accordance with rules. Since Sri Hanumantha Rao was a Second Division Clerk, the pay of First Division sanctioned to him being personal to him, he could not have released the post of First Division for being filled up as such. The post released by him was only in Second Division and hence, there was no vacancy in the First Division for the promotion of Sri Narasimha Setty as stated in the audit objection slip. Even if there are sanctioned appointments under First Division he has to be promoted only to a vacancy classified as promotional and not to a direct recruitment one.

24/ But, in view of the G.O. dated 20th June 1949 sanctioning the appointment of Sri Hanumantha Rao as 'Epigraphist' and the promotion of Sri N.Narasimha Setty as a First Division Clerk, and of the long services and experience of these two officials in their respective fields of services in the department, their appointments may be allowed to stand as a special case, subject to the following conditions:

1. The post of Epigraphist should now be registered, classified and taken into account. If it happens to be a special one and Sri Hanumantha Rao a Brahmin the next general vacancy in the same series should be treated as special by way of compensation.
